Also served as Sugarcreek Township Trustee from 1996-2004

Boards And Committees Now Serving On:

Miami Valley Regional Planning Commission
Greene County Health Board
Greene County Township Association
Ohio Township Association

2017 to March 2020 *Wayne Township Fire Department (Warren County)*

Volunteer/Part-time Firefighter/Paramedic/Instructor/Inspector/Training

- Assist training firefighters in the latest techniques in firefighting, in charge of fire inspections. Respond to fire, medic and other emergencies'

2012 to 2017 *Spring Valley Township Fire Department*
Fire Chief

Totally responsible for all administrative aspects of the Spring Valley Township Fire Department. This included budgeting, public relations, training, recruitment, and retention of personnel. I led a team to re-organize the Spring Valley Township Fire Department. Actively involved with local and state Fire Chief's organizations to provide better fire and EMS service to the communities.

Acting Township Administrator

2010 to 2012 *Wayne Township Fire Department (Warren County)*

Volunteer/Part-time Firefighter/Paramedic/Instructor/Inspector

- Assist training firefighters in the latest techniques in firefighting, in charge of fire inspections. Respond to fire, medic and other emergencies. Appointed by the Chief to Chair a Retention/Recruitment Committee.

1982 to 2009 *City of Miamisburg*

Retired Full-time Firefighter/Paramedic/Inspector/HazMat

- Trained recruits and firefighters in the latest techniques for firefighting, fire attacks, search/rescue, ventilation techniques, salvage, and overhaul, property management, life safety, fire investigation and most of all, effective teamwork. Respond to fire and other emergencies. Member of the HazMat Training Committee. Active as a paramedic. And other assigned duties. Assisted in organizing the regions Fire Fighters Accountability System. Wrote and directed an award-winning training film "Firefighter Accountability."

1989 to 1994 *Sugarcreek Township*
Fire Chief

- Totally responsible for all administrative aspects of the Sugarcreek Township Fire Department. This included budgeting, public relations, training, recruitment, and retention of personnel. I led a team to organize the Sugarcreek Township Fire Department after a political separation from the City of Bellbrook. Implemented the Automatic Mutual Aid Response (AMAR) with area fire departments. Actively involved with local and state Fire Chief's organizations to provide better fire and EMS service to the communities. Wrote the specifications and took delivery of the medic unit and fire engines. Designed and oversaw the construction of the new public safety complex costing approximately 1.2 million-dollars.

1976 - 1987 *Sugarcreek Bellbrook Fire Department*

Lieutenant/Acting Assistant Fire

- Responsible for Fire Station One. Supervised full-time, part-time, and volunteers. In charge of the Fire Prevention Team, employee evaluations, volunteer recruitment, and other jobs assigned by the Fire Chief. Coordinated the first Unified Fire Code for both the City of Bellbrook and Sugarcreek Township.

1979 - 1982 *Beavercreek Fire Department*

Full-time Paramedic/Firefighter/OIC

- Responded to fire and other emergencies. Started the first Beavercreek Fire Department Maintenance Program. Certified as a pump mechanic. Acted as the Officer in Charge (OIC).
